An Individual's Request for Deletion of a News Article That Includes His/her Name

The Board decided that, since the individual still holds a position which concerns the general public, the newspaper article which includes the individual's name is evaluated under freedom of the press which is a reflection of freedom of expression. Therefore, according to the subparagraph (c) of paragraph (1) of Article 28 of the Law on the Protection of Personal Data w.no. 6698, the Board shall not take an any action regarding individuals request for deletion of the relevant news article.
